SECTORS

We are well experienced in matching suitable talent for all your business needs. We cover multiple sectors, each tailor-made based on the requests of our clients. Finding highly skilled and talented staff has never been easier with Employment Hub.

- Whom do you need in your team?
- How quickly can you interview?
- What's your budget?

Let us know the answers to these questions and we will do the rest.

- Accounting & Finance
- Automotive
- Construction & Engineering
- Education
- Healthcare & Medical
- Hospitality & Catering
- Information Technology
- Sales & Office Support
- Warehouse & Logistics

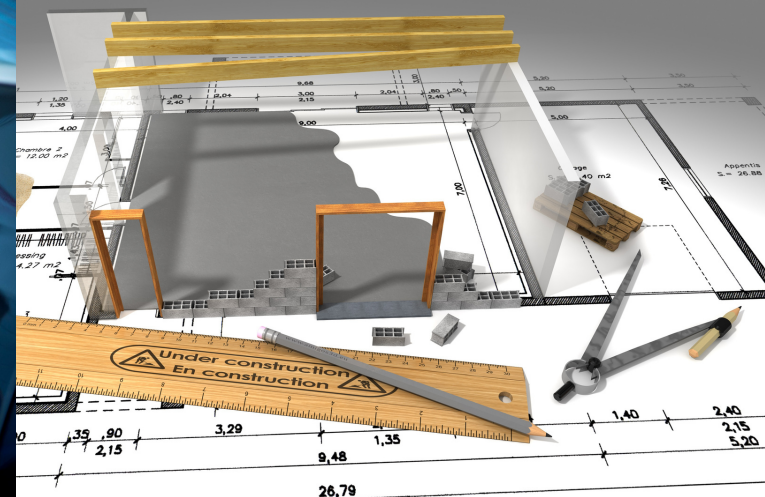

ACCOUNTANCY & FINANCE

Employment Hub has an Accounting and Finance team that works with Accountancy firms and private SME businesses. Roles include newly qualified, part-qualified, and fully qualified accounting talent. Employment Hub works across the board from Credit Control, Payroll, Management Accountant, and Bookkeeping positions to Senior Finance roles such as Finance Director or CFO.

AUTOMOTIVE

Our highly skilled Motor Trade division works with talent from car valets, mechanics technicians, master techs, and MOT technicians through to design & development, warranty, and testing engineers.

CONSTRUCTION & ENGINEERING

We have a team that is dedicated to the Construction and Engineering sector. From entry-level labourers, right through to highly skilled electrical engineers, our team is here to support you in your hour of need. Employment Hub works with both domestic and public skilled professionals to ensure you have the right team for your business.

EDUCATION

Our Education division knows how valuable staff are for our clients. From a full understanding of safeguarding and child protection policies to learning disabilities, our team of professionals are confident in finding suitable talent for your search. All talent comes with an up to date DBS allowing them to start immediately provided they are successful after meeting you.

HEALTHCARE & MEDICAL

Employment Hub`s Healthcare & Medical team consists of recruitment specialists, experienced in this sector. We recruit for roles including Healthcare Assistants, Carers, Nurses, and Doctors for permanent, temporary, and contract roles within your organisation.

HOSPITALITY & CATERING

Our highly-skilled specialist Hospitality division devotes their time and effort to find your business the most talented staff across the UK. Our team will work personally with you to make sure you are happy throughout the hiring process. Whether you are looking for an Executive Head Chef or a waiter, get in touch to meet the perfect hospitality staff match.

I.T

We are very proud of our I.T team, which excels at headhunting and talent management for our clients across the digital IT markets on a national scale.

With several years of experience recruiting for all types of roles within the IT sector, we are very confident that we can provide you with the right candidate, at the right time for your business needs.

SALES & OFFICE SUPPORT

Our sales and office support division can deliver talent with a high level of skill and technique to your business. In this department, presentation is everything as the faces of companies are being represented.

We can either find customer service personnel from top sales talent from all backgrounds to Microsoft experts in aid of your administrative teams. This includes but is not limited to roles such as EA/PA, Admin, Field and Telesales or FMCG.

WAREHOUSE & LOGISTICS

Employment Hub covers the Warehouse and logistics sector and we work with you in your time of need to select the appropriate candidate.

Logistics, Procurement, Distribution, and Stock is our forte.

From van drivers to LGV drivers, warehouse ops to management level, cleaners, and labourers to picker packers or driver mates, we provide a quality service 24/7.

SERVICES

We are constantly seeking out innovative ways to assist you in reaching your full business potential.

We offer 360 permanent and contract recruitment services that allow us to add value to your business with talent at all levels.

Our temporary recruitment options were designed to provide a flexible workforce or temporary staffing to cover your business in the absence of key personnel.

The Executive Search team will headhunt and find you the cream of the industry crop to take your business to the next level.

The purpose of Full, Functional or Project RPO (Recruitment Process outsourcing) is for you to maximise productivity for your resourcing department. We aim to reduce cost-per-hire to save you time and money while adding value to your business.

FLEXIBLE PAYMENT SOLUTIONS

Every business is different. We are a multi-sector recruitment agency that is fully committed to developing long-lasting relationships by putting the individual needs of our clients first.

We have a range of payment options that may suit the needs of your business. Whatever works best for you can be adapted into your final package. It all starts with a conversation.

- Taylor-made payment plans
- Negotiable terms of business
- Revised Rebate Period
- Low percentages
- Flat Fees
- Retainers
